

SOUTH BEACH CASINO & RESORT

Ocean Club Manager

Job Summary

The Ocean Club Manager is responsible for executing player development programs, player club operations, coat check, and bus tours in all day to day operations through a diverse team focused on service in all of our guests and patrons requests and needs for ultimate satisfaction.

Qualifications and Requirements

With a minimum of six years' experience in retail management, marketing or customer service at a management level, you are capable of managing a team accountable for player development and overall budget achievement; additionally, you have the savvy and intuition to generate guest loyalty through the player club program and achieve business goals. Strong telephone skills with the ability to sell and promote the attributes of the casino would be beneficial. Must possess or be willing to obtain the "Smart Serve" Certification in accordance with The Liquor and Gaming Control Act.

Please send your resume or application to:
hr@southbeachcasino.ca

Please Apply by 4:00pm on April 10, 2026.
